Welcome to the 122nd Gransden Show

What a fantastic Show we had last year! Thankfully, the weather was kind to us, with no heavy rainfall to hinder set up. Here's hoping for another successful and enjoyable Show in 2026.

The event is only possible because of the hard work and dedication of the Directors, Committee members, volunteers, Judges, exhibitors, and everyone involved behind the scenes. From a year of planning and preparation makes the show so special. On behalf of the Directors, I'd like to thank everyone for their commitment and support.

If you would like to get involved, we'd love to hear from you. We're always looking for new volunteers to join us.

This year we are pleased to welcome our new President, David Jarman, Managing Director at A T Oliver & Sons. Be sure to visit his stand on the showground, and we hope he enjoys his day. David can also be seen presenting prizes in The Grand Parade approximately 3pm.

I'd also like to welcome our new Vice Chairman, David Johnson. We look forward to working with him.

I would like to express my sincere thanks to Guy Kiddy, who for many years has been the Chairman and looked after the Livestock Area. His commitment and hard work have been greatly appreciated. On behalf of the Directors and Committee, we wish Guy all the very best for the future, and we hope we see him back at the Show.

Lastly, I would like to wish Emma Bishop well in the Livestock Area. You may see some changes to ring positions and we hope Emma has an enjoyable show. My final thank you would be to Charlotte Kane-Belcher, our Event Manager. She organises everything and us, to make the show possible always with a smile!

Thank you. Enjoy it!

Jo Lenton

From the President

Welcome to the 122nd Gransden Show! It was an honour to be invited to be the 2026 President having been Vice President last year. It gives me great pleasure to share with you, our visitors, all the interesting insights into the rural world that the Gransden Show has done so well for many generations.

I have been actively involved in farming from a young age and having studied at Agricultural college after spending some time farming, I have spent the last 45 years supplying agricultural machinery to many local farms as well as exhibiting at the Gransden Show for a number of years.

This show has a great history, but it only comes about by the work of the many volunteers who work hard throughout the year to plan and seek to book entertaining exhibitions in the show rings to cater for all tastes. I would like to extend my thanks to the event manager, Charlotte, who co-ordinates the Show with the help of the committee members and a whole team of stewards who give up their time to help build up the showground ahead of today to make this Show such a success on the day. I would also like to thank the various sponsors of the event and the various trade stands for their participation in putting on such a splendid display of farm equipment and livestock. Please do visit all the stalls, competition stands and sample the wealth of locally produced products.

This event is a tremendous showcase for families to enjoy. It gives an insight into how our food is produced and I hope it encourages young people to think about a possible career in agriculture or one of the many allied industries that together help to feed the Nation.

I know that the Gransden Show is always well attended with many repeat visitors taking the opportunity to catch up and meet old friends. Even when people have moved out of the area, they often make the time to return for this special event.

Thank you for visiting today and I am sure you will have a fabulous time. Please do share your visit with your friends and family and maybe plan ahead for a return visit together in 2027

David Jarman

During the First World War it was decided unanimously by the Committee that to save money there would not be an Annual General Meeting and that no shows would be held until peacetime. It was agreed that all officers and Committee members should stay in office until the end of the war. For the Second World War the Government banned Agricultural Shows. The Committee decided again not to hold an Annual General Meeting due to the cost and agreed to keep the Officers and Committee unchanged until the end of hostilities. In 2001 because of the foot and mouth epidemic the show was cancelled and in 2020 because of the COVID pandemic. The 2024 show was cancelled as a result of severe rainfall.

The Sheep Show

This fun-filled presentation introduces onlookers to 9 different breeds. Each has a story to tell with interesting facts and figures relating to their variety. Each taking their place on stage accompanied by their very own theme tune. Nobby the Norfolk Horn is the star of the show... and he knows it!

Following the Woolly antics of their introduction, we give a live shearing display accompanied by an informative narrative where audiences learn the reasons we shear the sheep and about the complexities of types of wool. And if that's not enough, we round it off with our star-studded flock treating us to "The Sheep Show Shuffle", yes, you heard it here first, our very own... "Strictly Come Baaa ...ncing"! What would Craig say!?
